WHIG MAYORALTY CONVENTION

THE NO MINATIONS.

The delegates to the Whig Mayorally Convention met et night at the Broad vay House, to make nominations for the offices of Mayor and Governor of the Almshouse. The convention was called to order by the election of Joseph C. Pinckney, of the even-en a ward, temporary Chairman. The question was then considered as to the delegates which should be admitted from the contesting wards—the Thirteenth, Fourtee to and swenty-first. A committee upon the eredental of coatestants was then appointed, of en the consention took a recess of half an hour for the committee to make up their report. Upon the re organization of the committee to make up their report. Upon the re organization of the committee to make up their report. Punckers was made permanent Justiman and the Co-per ticket of the Phirmean doubt the transfer of the Fourteenth, and the Warlis the color the weaty-first ward, were as mitted.

MUNICIPAL REFORM COMMITTEE.

The Municipal Reform Committee met last evening in the University, but after a long session they made no nominations either for Mayor or other city offices. It is the intention of the committee to wait until other parties have made their nominations. and then select their men. Herein they have shown a rema kable sagacity. The committee adjourned

putil Thursday evening next. THE GENIN MEETING.

MHRTING TO NOMINATE JOHN N. GRNIN-DEWONSTRA-TION AGAINST BIM BY THE HATTERS' UNION-NOISE AND CONFUSION—THE MESTING DISSOLVED AND THE LIGHTS PUT OUT—SIGE SCENES, ETC. A meeting was beid, at No. 600 Proceway, of citizens

in favor of an independent nomination for Mayor. The hall, which will hold six hundred reople, was full.

At half past seven o'clock. W J narrington, decorative painter, took the chair, and Mr. Barber was appointed as secretary.

The meeting was composed principally of the friends

of Mr. John N. Genia, but as some twonty or thirty embers of the Hatters' Protective Union were seen in the crowd, and as Mr Genin dose not act with that orga. nisation, some trouble was expected.

The Chairman introduced Mr. John L. Dorrance as the

The Chairman introduced Mr. John L. Dorrance as the Lest speaker.

Sr. Lorrance said he was heartily in favor of Mr. denin's nomination (upplause.) the city of New fork, he raid, was the greatest commercial emporium at the world. We have a reveident p-pulation of six hun red theusard, which is some times increased to a militon. How important it is that the should se a cleanly sity. (Appeause.) how important it is that the securive chair should be filled by an independent, wor hy fam. The speaker snew Mr. Genic as a man of ability, margy and enterprise. He had been the architect of the two fortunes, and had already succeeded in everyshing he had unfertaken. We want a Mayor who shall be ince-encout of all partice, a man pledged to no cliques—no party's man, but the people's man. (Cheers) We want a young, vigo rous man, who will whit every part of the city, and see that the ordinances are executed (p.lause.) Such a unit will be inceded to make the speaker thought, was John N. Gesin. This was a coople's movement, an the speaker believed that it would result in the elevation of ar Genin to the chief magnetrate's chair if such anould be the case, we shall have a clean, orderly and smithy city Let us, said he erice as the people of New York, and elect a man whe will do his duty by the city and every one in it. (Three cheers for Mr. I orrance)

Various speakers were called for in the crowd, and one young gentleman suggested the meeting. He

not separa e from her par mer to weal and we until no
was remo-e-for the night, under the impression that
the jury were not likely to agree.

The jury tering called over, the eleven answered to
their names.

the jury were not likely to agree.

The jury being called over, the cleren answered to their name?

Previous to the rendiction of the verdict, Mr. O'Convertanted a paper to the Court, which was understood to the an encept a to a proteon of the Judge's charge, and obsauced twenty days to propage a buil of expertant for the purpose of a row trial.

The for means over the jury it why had agree a buil of expertant form answer the jury it why had agree a.

The for means overed in the affirmative. The Christone jury it why had agree a buil of expertant for the purpose of a row right when the jacors down any you gentlemen, is obsert M. Granam, the presence at the bar guilty or not guilty?

Foreman—Not guilty or marder, but guilty of mandaughter in the see ad degree.

The presser remained calam, and made no remark. Ells coupsel ested that the jury be polled, and they severally answered that the vertical rendered was their verdict octor trabam was then removed to the tends by ifficers Berthout smiller name, and the Journal is of clock the same morning.

Manelange or in the second degree, as defined by Junge strenell, is killing another unless commetted unlers such circumstances as to constitute excussion or just he middle; if committed, first, without a design to effect death; see nd, in a heat of passion; had but in a cruel and unusual meaner, is manisaughter in the second degree in the verdict of manisaughter in the second degree.

effect death; see nd, in a heat of passion; hird but in a crued and unusual manner, is manishaghter in the second of gree in the verdict of manishaghter in the second degree in volves a numehment which, to a man or education and in the resource ble walk of a city to which the professional standing of Dr. Graham introduced him, must be even more painful than coath.

In a crued analysis that a person convicted of manishaghter in the second degree stall be punished by implicement in the second degree stall be punished by implicement in the second degree stall be punished by implicement in the second degree stall be punished by implicement in the second degree and that the jurers at first stool thus. For the fewer and latter person of manishaghter in the tried degree, which resulted, at has need some in those for the fewer and latter person deer in those for the fewer and latter person deer in those for the fewer and latter person deer in these for the fewer and latter person deer in the second degree.

We understand from another source, that the jurers on first going out, stool ten for consistion of marder, and one for musicaghter in the tird degree, and for a long time they could arrive at no other result, when a complement was proposed to give in a verdict of manishaghter in the tirst degree; out that was objected to on the ground that the Judge in his coarge toll them that re would not notice that degree of order, ind matter would not notice that degree of order, ind matter grant that the present verdict was made up and rendered.

The Court egain met at cleven o'clock, parauant to adjoursment.

THE TRIAL OF CHARLES JAGER FOR THE MUSDER OF

JOHN MORAN.

The prisoner in this case is a Frenchman, and is by trade a brewer; he is thirty-six years of age, and is charged with the murder of John Moran, on the morning of the 8d of reptember last, by wounds in the abdomen, indict ed with a knito. The fellowing jurors, after some challenges and some

being excused on the ground of consciontions scruples, were eworb :--Thomas Warren, John Bured, Java C Lampier, Sharks Chaesman, Charles Johnson, Janes M Crecheson, James Nathan, Walter L Childs, Albert McCard, Wm. C - agee, Booj M Roach, Martin Ungrosh.

by L. B. hepare. Distance Attorney, appeared for the rescenti n, and brushy stated the circumstances of the see and called

case, and called

24 limity place
To the Court—That is at the rear of finity Church.
To the listrict Atternsy—I snow John Moran, June Far-24 11ml y place
To the court—That is at the rear of frinity Church.
To the i strict Atturns y—I snew John Moran, Jann Farley and John Wated; we were at together on the outentage of 36 sept-unber nat, at about half-past one o'c ex; we went into the home of John Bushama, in Alisays attest. Bushaman and Moran organ taking and taid hands on each other's shouters. I thought in a friendly meaner; oran laid hold of Bushaman; the place was a bar room in a basen eat; the two went towards the bar; John Farley told them to come up to the bar and have some drink. Bushaman poke to Jager, zho was behind the bar, in a language which I could not understead; Hash man and Moran stode on one side of the bar; Chas. Jager wont over to the bar towards Bushaman and the deceased; Jeger had his left hand behind the bar, so that I could not see it; I did not hear him say anything; he did nothing at that time; John Busaman and deceased came from the cas of the barned went in from of he bar.

Q What was then could a Charles Jager took a lemon sytup bottle from behind the care and broke it on eccased's shul (points out the place across the temple.)

Q What next? A He then took another lemen syrup bottle sno broke it on he head in the same place

Q What next? A He then took another lemen syrup bottle sno broke it on he head in the same place

Q What next? A He then took another lemen syrup bottle sno broke it on top of deceased's head; buckman she bit Moran, and I tall them not to kill the men. we then took norm, the deceased, out to the side walk; sent to look for a doot wand found one, and trem we to he oran to the scapital.

Q Where old Moran stand when Jager went to him?

A Be steed about two feet from the end of the bar when Jager though Jager was facing form and Rush men when he went up to them; I was bealed the down.

A be steed about two feet from the end of the bar when Jager altered, he (woran) was standing with his let side towards the bar; I cid not notice if Jager hat any thing in him right hand; Jager was facing form and fush

Moren such the besies; I had known woran for three years; I saw has mostly every day; he and I worked for one man

I west extendined by Mr. Spenser-I was not a married man at that time; woran was not a married man at that time; woran was not a married man; nor war oy, Welsh was a wido ser; it was on a Sund-y morang about 4½ o'clock; the house in alway street, where this occurred was a house of ill fame. I knew it to be such before I went there; Farley and I had been up at eary street to see a friend warned Nectabe; had a glass of boor there; left at 9½ o'clock, and so, our way down to Washington street, we ent into a dance house and, stain there about twenty minutes, we found John Meran and W-lah in the sance house; we found John Meran and W-lah in the sance house; we found John Meran and W-lah in the sance house; we found John Meran and w-lah in the sance house; we found John Meran and W-lah in the sance house; we do nothing a I that time but drick and reso norsepapers; we then went to a house in Trainty street and had a few rinks; we left the e about one o'clock; we did nothing a I that time but drick and reso norsepapers; we then went on to Bushman's; did not see a pittel in the hands of woran; I don't remember telling Bushman to let Moran go; I taid them not to sill the man.

Q Were you not much under the i flaunce of liquor?

A. We drank a little, but ever not interfeated.

Q I id you wear before he Coroner that you knew not hing of Moran's being stabbed until 1.0 o'clock next morning?

You I don't hence of Yoran being stabbed, but I heard comething about stabbing; Moran died in a week after he received the injuries

to the Listrict at orno;—When I say I was not in il quor, I mean that I was not incapable of understanding what was passing or what was Going.

To the Court—brank six glasses between 9 and 12 o'clock.

To Mr. Spencer—Will not swear I did not drink ton glasses, me compani us drank as much as I did; it was three scal long the was along for a platel; the blede of the koute was southered. He will

a bolo or him the whole time that Jages was striking him with the besses and decaster; we need direct to a decay to have he had directed; he was then taken to the Hanglat; have been directly have been directly house in Frinity place, he died these.

Occase numbed by him beauge flowers and Bushman has held of each other; were i key noticed them they had ands on each other; there has not set to give buring the time the bless were given; myself and James Donnelly west up to Heary street to a friend of his and mine assend Francis Mother; lournelly drank one giuss of hear there; I drank none; it was offered me but I had a reason and did not drink it; we went about 10 o'clock towards hums, and went into a dance house in Washington street, where we met Moran and Walsh; I drank a gas of pop and four gases of gin; went to Gushman's; it is a house of ill fame; was there before; earl't tell how often; I near kept count; I have been in this olty since last parch; I work along shore; I have been at the dance house before; I was not any more under the if insect of Hquor then than I am now; I drank as thing to day.

Q : you went to say the after you crank four giasses of gin you were no more under the influence of liquor; Moran had his hands on Bushman all his time.

Q : as he not bis hands on his throat; I was before the magistrate; Mr Bushman was arrected at the time, I die not any there is not he to the kinds.

Q ild you hear ilders make any comp'site on that right that he was stabbed or out wha a kinds.

A He rever sait he can stabbed the hait he was sore on the hip; the physician examinations.

Q He wo long did the coeffice on taue!

A - so long as he was striking him with the bettles and decanter.
